

## The Heights Primary School

### Year One Parent Planner: Summer 1 Week 2

Dear Parents/Carers

This term our theme is: **Amazing Animals**

This week we will be...

English	We will be learning about riddles this week in English. We will be reading animal riddles and working out which animal they are about. We will learn how to give clues so that people can guess which animal you are thinking of and at the end of the week we will write our own animal riddles for our friends to figure out.
Mathematics	We will be learning about money this week in Maths. We will practise recognising and naming British coins and notes as well as learning about the value of each coin and note. Towards the end of the week we will be holding our own pretend Rock Sale in class where the children will pay the correct price to buy different rocks.
Topic	In Science this week we will be looking at the changes we need to look out for in Spring so that we are ready to spot them on a Spring walk next week. In Design and Technology we will be painting our animal rocks that will be sold on Thursday after school. In RE we will begin to learn about Judaism. In Computing this week we will be using the Chromebooks to use a coding program.

**PE Kit** - Please can you make sure that the children's PE kits are back in school and that they have everything they need. (Long warm jogging bottoms, **PE socks** (Any socks that children can change into for PE), PE T-shirt, PE jumper and trainers (That have as much of the mud removed as possible please)

**Cracking times tables** - This week some children will begin their Cracking Times Table tests, other children will start these in Year 2.

Best wishes,

The Year 1 Team
