

The Heights Primary School  
Year 3 Parent Planner: Summer 1 Week 5

Dear Parents/Carers,

This term our theme is *Superstructures*.

English	This week we will be continuing to look at persuasive writing. We will be planning and starting to write our own persuasive letters, thinking about the key language features that we need to include in our work.
Mathematics	In maths this week, we will be focussing on division with remainders. We will be using our times tables knowledge to help us calculate these divisions.
Topic	In our topic work this week, we will be finding out which country different superstructures are located in and using grid references to help us locate these countries in an atlas. In art we will be creating templates to use in our own superstructure prints.

PE for Year 3 this term will take place on **Tuesday** and **Wednesday** afternoons. We are happy for kits to come in on a Monday and go home on a Friday. If your child comes home in their PE kit, please can you ensure it comes back in the next day particularly if they have after school clubs (it doesn't need to be washed, just bagged up).

Violin and recorder sessions will continue on Wednesday mornings. Please can violins or recorders continue to be brought into school **every week**.

As we start to enjoy some warmer weather, please ensure that your child has a **named** sunhat and water bottle in school. Also, sun cream needs to be applied before they come to school in the morning.

If you have any questions, please don't hesitate to pop in and see us

Best wishes,

Ms Ford, Mrs Sanigar and Mrs Wells
