

The Heights Primary School
Year 4 Parent Planner: Summer 1 Week 7

Dear Parents/Carer

This week our themes are: **Religions**

English	This week in English the children will be completing their half termly Reading and Grammar assessments.
Maths	We have now covered all of our year four Maths topics so will be using the rest of this term to revise some of our earlier topics, especially the tricky ones. We will start this week with a quick recap on addition (which most children are quite strong on) and then a longer recap on subtraction (which generally, children find more challenging).
Topic	<p>In PSHE we will continue our relationship and sex education and this week will focus on puberty. The children have so far been really grown up and respectful in our class discussions.</p> <p>We have two R.E. sessions this week. The first one led by Miss Reynold's, with help from Kasim, will be about Muslim prayer and worship. The second one will be led by Phoebe's Dad and will be all about Buddhism.</p> <p>In Art we will be using water colours on landscape painting.</p>

You can follow us on twitter @mrsthomas4.

It is Miss Reynold's last day in year 4 on Monday and I would like to take this opportunity to thank her for all her hard work and congratulate her on a fabulous teaching practice.

Hope you all have a lovely half term.

Mrs Thomas
