

**The Heights Primary School**

**Year One Parent Planner: Spring 1 Week 6**

Dear Parents/Carers

This term our theme is: **Spectacular Space**

This week is Assessment Week

English	In English we will be completing Spelling, Punctuation and Grammar assessments as well as Reading assessments. We will also be carrying out Phonics assessments and completing Reading Benchmarking assessments.
Mathematics	In Maths we will be completing Maths assessments. We will also be learning about capacity by filling bottles with water and estimating the size of the puddle they will create.
Topic	In Topic we will be finishing our Solar System booklets and using the facts from the booklets to create a poster. In Art, we will be painting the model planets and using them to create The Solar System. We will also be learning how to make an observational drawing of a daffodil.

**Sign to sing assembly:** This afternoon we have a special assembly. The children will be performing the new sign to sing song that they have been practising this term.

**P.E:** Please ensure that all children are bringing in tracksuit bottoms and warm sweat tops for PE as it is very cold. Children should also have a full P.E kit as some children have not been able to participate in P.E this week.

**Uniform:** We will be encouraging children to wear waterproof trousers to ensure they remain clean and dry during break-time. If your child has some at home, please could they bring some to school. Please also ensure they are named.

Thank you,  
The Year 1 Team
