

The Heights Primary School

Year One Parent Planner: Spring 2 Week 1

Dear Parents/Carers

This term our theme is: **Spectacular Space**

This week we will be:

English	This week we will be learning more about using punctuation within our sentences. We will be introducing prefixes and learning how contractions can be used as joining words. At the end of the week, we will be writing a space themed newspaper article using our new punctuation skills.
Mathematics	We will be learning about halving and doubling numbers. We will also be practising our number bonds and using our number bonds to add and subtract.
Topic	In Science, we are going to be learning about and sorting deciduous and evergreen foliage. We will be planting our own seeds and writing a seed diary to predict what might happen. In Art, we will be drawing the different stages of a plant using our observational skills.

P.E: Please ensure that all children are bringing in tracksuit bottoms and warm jumpers for PE as it is very cold. Children should also have a full P.E kit as some children have not been able to participate in P.E recently.

Uniform: We will be encouraging children to wear waterproof trousers to ensure they remain clean and dry during break-time. If your child has some at home, please could they bring some to school. Please also ensure they are named.

Please keep an eye out for information about our trip to Winchester Planetarium this week.

Thank you,

The Year 1 Team
