This term our theme is **To Infinity and Beyond!**

English	In English this week we will be preparing speeches which the children will present to the class. We will be speaking on the inventions which changed journeys forever, based on this year's Science Week theme of Journeys
Mathematics	In Mathematics, we will be interpreting and drawing line graphs.
Topic	In the afternoons this week, we will be doing lots of scientific investigations such as designing Mars Rovers in groups, investigating air resistance with paper, and trying to find insects that live 'under your feet,' on Christchurch Meadows. We are also very lucky to have a forensic science workshop and a 'Bash the Bug' workshop this week.
Information	This week, Cracking Times Tables will be on Wednesday and Spellings will be tested on Friday. For this week's spellings we are looking at words with -cious endings. This is one of the main spelling rules to be learned in Year 5. 1. Vicious 2. Conscious 3. Suspicious 4. Ferocious 5. Precious Your child also has an additional 5 spellings. Please make sure your child is practising these at home as well as in school. Reading records collected and checked: Monday. PE: Tuesday and Thursday If ever you have any questions, please feel free to come and speak to me after school. I will always be able to speak with you or arrange a meeting for longer chats.

Mrs Bareham and Mr Gillick
