

The Heights Primary School

Year 5 Parent Planner: Summer 1 Week 1

Dear Parents/Carers,

This term our theme is **It's All Greek To Me**

I hope you all had wonderful breaks and your children are ready to hit the ground running for the last term of Year 5.

English	In our English lessons this week, we are thinking about persuasion by writing travel leaflets advertising for people to visit Greece. In writing skills, we will be setting writing targets.
Mathematics	In Mathematics, we will be investigating shape by considering the properties of rectangles and the different nets that can make up shapes.
Topic	In Science we will be beginning our topic of Living Things and Their Habitats by discussing about sexual reproduction in Flowering Plants. This term, children will be doing Art with Mrs English on a Tuesday afternoon before PE. This week, they will be investigating Greek Vases and may begin making initial sketches about a design for their own vase. In PE, we will be playing some Athletics themed games. In French, we will be revising and learning classroom themed vocabulary. In Computing/Geography, we will be doing initial research about Greece, building on the work we have done in previous weeks.
Information	Break-a-Leg to the children performing in The School of Rock on Tuesday after school! I have set up our class Twitter account, please give it a follow: THPS_5JG_1819. The only people who can follow the page are parents of children in this current class and will be approved by me. If you haven't been approved, please let me know. Reading records collected: Monday. PE: Tuesday and Thursday Times Tables: Tuesday Spellings will be set on Thursday

Have a great week ☺
Mrs Bareham and Mr Gillick
