| Mathematics | Learn to tell the time to half past times. Investigate problem and challenges involving telling the time. |
| Expressive Arts and Design | Make pig collages/sketch pigs and wolves. Pig and wolf puppets and masks. Pig house collages. Charanga Music session |
| Understanding the World | IT: PurpleMash paint project House/3 little pigs, work with friends to create a wolf proof house and test with the "wolf" hairdryer. |

Please support your child by encouraging them to practise saying the <u>NAME</u> of the letters in their phonics book, reading words on their blending cards and helping them to explore and read their school reading book. Approximately 10 minutes every day. Please record how they are getting on in their Reading communication diary.

You can also help your child with their learning this week by..... practising telling the time to the o'clock and half past

Parent and child challenge for the term!

Can you help your child to make a daisy chain as tall as themself? Now try making a chain this length using the fewest number of daisies. Photograph what you have done and work with your child to display their results in a way they can show us as 'Show and Tell'. Have fun.

If you have any questions about how to help your child with their learning please see your child's teacher. If you would like to become more involved in school life please see the PTFA website and/or speak to your child's teacher about when/how we can accommodate you. We are always looking at ways to include our parent's in school life.

Best wishes

The Reception Team
