

The Heights Primary School

Year Two Parent Planner: Spring 2 Week 6

This week is Assessment Week and we will be practising Biscuit Tests for the last time.

English	In English this week we will complete Biscuit Tests on Reading and Spelling, Punctuation and Grammar.
Mathematics	In Maths we will complete two Biscuit Tests. We will be learning more about Fractions and will focus on how to find fractions of quantities.
Topic	In Computing the children will be finishing their chocolate presentations. The children will be finishing their Chocolate topic by making their own recipe for Chocolate Tiffin and creating their chocolate treat. In Maths they will make their own 3D chocolate box and create their own design for the packaging.

Maths – Please practise telling the time to the nearest 5 minutes.

PE – Children who do not bring a full PE kit will not be able to take part in our P.E lessons. A number of children are borrowing items of clothing and not returning them. Please ensure all children have a full PE kit for our outdoor PE lessons. A P.E kit contains **PE socks**, PE t-shirt, PE jumper, PE shorts or joggers and trainers. All kit must be named and brought in every Monday so it is available all week. Please could you also put some spare underwear into your child's PE kit for rare emergencies.

Nessy – If your child has a Nessy account please can you ensure they are using it. Unfortunately we only have a certain number of accounts per class so it's important the children are getting the most from it.

Reading – Please ensure that reading books and reading records are brought to school each day so that children can change their books. Please record, in their reading records, when you have heard them read. You can support your child by encouraging them to read at home every night. Little and often is best. It is important that you ask them lots of questions such as:

- What is happening? Talk about what has happened on each page.
- What does that word mean? Discuss the meaning of unfamiliar words.
- Can you think of a similar word to big? Use a thesaurus to find a synonym e.g. huge.
- What do you think will happen next? Why do you think that? Ask children to make predictions and explain their thoughts.
- How do you think the characters are feeling? What has made them feel that way? Discuss the character's feelings.
- Where is this story set? Have you read another story with the same setting? For example 'We're going on a bear hunt' by Michael Rosen and 'The Gruffalo' by Julia Donaldson are both set in the woods.
- Which type of book is this? Fact or fiction? Is this book a story book or a Non-fiction book? How do you know?
- Non-Fiction – Tell me a fact you've learnt from this page / book. Discuss the importance and relevance of the glossary, index and contents page.

Ways to encourage reading with your children.

- Be seen – Make sure you are seen reading. Keep books and magazines handy so that you can be seen enjoying reading.
- Make time – Have a special place or a special time when you read together.
- Get out – Go to your local library and find books you loved to read as a child.
- Make it fun – Enjoy reading together. Give characters funny voices.

- Read everything out loud! – Books, poems, newspapers, magazines, food labels... anything!

Remember, common exception words and past spellings (weekly spellings) are really useful to know. Look in the centre of the reading record and you will find a list of homophones as well as other useful learning aids. Below is a list of the common exception words in Year 2.

We are holding a short meeting on Wednesday evening to discuss the KS1 SATs (Known as Biscuit Tests to the children) to explain more about what the children will be doing between Monday 13th May and Friday 17th May. Please ensure you confirm your attendance.

Best wishes,

The Year 2 Team
