Your child also has 5 additional spellings from the Year 5/6 list. These words do not change unless they get them right. Please ensure your child is practising spellings at home.

We now have a great way of sharing work children are proud of with you through Twitter. Unfortunately, I can't name your child's work without your permission. If you haven't granted permission and would like to then please let the office know: THPS_5JG_1819.

Thank you for reading 😊
