

The Heights Primary School

Year 5 Parent Planner: Summer 2 Week 1

Dear Parents/Carers,

This term our theme is **It's All Greek To Me**

Welcome back after what I hope was a restful half term. We have got so much to fit into this last term in Year 5 and I look forward to hitting the ground running.

English	In our English lessons this week, we will be performing and evaluating our poetry performances that the children were learning over half term. We look forward to seeing all the great effort that the children put in over their holiday.
Mathematics	In Mathematics, we will be converting Metric Measurements by building on the skills we have developed over the year. This will also include using approximate equivalences to convert metric and imperial units of measure.
Topic	<p>In Science, we will be starting our topic of Humans and Animals. We will be comparing the lengths of gestation periods in animals and inputting the data into tables and graphs.</p> <p>In PSHE, we will be considering self-image and body image in our new topic of <i>Changing Me</i>.</p> <p>In Art, we will be finishing and evaluating our Greek Vases.</p> <p>In PE, we will be running relays in teams and practising using running over hurdles.</p> <p>In Computing/Geography, we will be finishing off the work that some children have not quite completed in our projects.</p>
Information	<p>This week, some children will be going to a football tournament on Thursday.</p> <p>We will be doing Cracking Times Tables on Wednesday.</p> <p>Next week, we will be having our Mock SATS week. If any of your children have any worries please ask them to speak to me about it. We will not be doing Spellings or Cracking Times Tables that week also.</p>

Thank you for reading ☺

Mrs Bareham and Mr Gillick
