

AMAZING ANIMALS

The Heights Primary School

Year One Parent Planner: SUMMER 2 Week 1

Dear Parents/Carers

This term our theme is: **Amazing Animals**

This week we will be:

English	In English we will be learning how to research different animals to find facts in preparation for our trip to Marwell Zoo. After our trip, we will be writing a recount using adjectives, verbs and adverbs to describe the amazing animals we will see at the zoo. We will also be looking at the book 'Big Animal Mix Up' and creating our own mixed up animals which we will describe using adjectives.
Mathematics	In Maths we will be learning how to place numbers on a number line and on a 100 grid to build on our understanding of the number system. Towards the end of the week, we will be focussing on 2D and 3D shapes where we will be learning how to make a 3D shape from a net.
Topic	In Art we will be creating a Safari Sunset by drawing and cutting out the silhouette of different animals. In our Topic lessons, we will be learning about the 5 main animal groups and identifying some animals from each group. In Computing, we will be learning how to add voice recording sounds to our animals scenes.

P.E: Please ensure that all children are still bringing in jogging bottoms as the weather can still be very changeable. A full PE kit for our outdoor PE lessons contains PE socks, PE t-shirt, PE jumper, PE shorts or joggers and trainers. All kit must be named and brought in every Monday so it is available all week. Please could you also put some spare underwear into your child's PE kit for rare emergencies.

English: If you would like to practise the spelling of Common Exception Words the list below are the words for Year 1. Here are just a few fun ways to do them at home; chalk, writing on the ground, water writing on a hot day, rainbow writing, searching for them on cereal packets or signs, spotting them in story books and treasure hunts.

Reading – Please ensure that reading books and reading records are brought to school each day so that children can change their books. Please record, in their reading records, when you have heard them read.

You can support your child by encouraging them to read at home every night. Little and often is best. It is important that you ask them lots of questions such as:

What is happening? Talk about what has happened on each page.

What does that word mean? Discuss the meaning of unfamiliar words.

Can you think of a similar word to big? Use a thesaurus to find a synonym e.g. huge.

What do you think will happen next? Why do you think that? Ask children to make predictions and explain their thoughts.

How do you think the characters are feeling? What has made them feel that way? Discuss the character's feelings.

Where is this story set? Have you read another story with the same setting? For example 'We're going on a bear hunt' by Michael Rosen and 'The Gruffalo' by Julia Donaldson are both set in the woods.

Which type of book is this? Fact or fiction? Is this book a story book or a Non-fiction book? How do you know?

Non-Fiction – Tell me a fact you've learnt from this page / book. Discuss the importance and relevance of the glossary, index and contents page.

Ways to encourage reading with your children.

- Be seen – Make sure you are seen reading. Keep books and magazines handy so that you can be seen enjoying reading.
- Make time – Have a special place or a special time when you read together.
- Get out – Go to your local library and find books you loved to read as a child.
- Make it fun – Enjoy reading together. Give characters funny voices.
- Read everything out loud! – Books, poems, newspapers, magazines, food labels... anything!

Thank you,

The Year 1 Team
