

**The Heights Primary School**  
**Year Two Parent Planner: Summer 2 Week 1**

English	This week we will be exploring the portal story Something Fishy. The children have become familiar with the short story by acting it out and using freeze frames to discuss what happens during different parts of the story. Later this week the children will write a story map and practise telling it to each other.
Mathematics	This week the children will be using their knowledge of fractions to find fractions of different quantities. They will then solve missing number problems about fractions and solve word problems about fractions too.
Topic	In Music this week we will continue our recorder lessons with Mrs Bentley. In Science the children will be investigating seeds and bulbs by looking at the insides and naming the different parts. During Computing this week the children will continue to learn how to code using code.com.
Additional Information	Our Trip to Lepe Country Park will be on Tuesday 25th June. Please ensure your child has their recorder (If they have their own) in school on Wednesday and Friday for lessons this week. Recorder lessons: If you have purchased a recorder through the office your child will be given their recorder during the lesson. If you are bringing a recorder from home, please name it and bring it to school. If a child does not have a recorder they will be provided with a school recorder during the lesson.

**PE** – Please ensure all children have a full PE kit for our outdoor PE lessons. A P.E kit contains **PE socks**, PE t-shirt, PE jumper, PE shorts or joggers and trainers. All kit must be named and brought in every Monday so it is available all week. Please could you also put some spare underwear into your child's PE kit for rare emergencies.

**Reading** – Please ensure that reading books and reading records are brought to school each day so that children can change their books. Please record, in their reading records, when you have heard them read. You can support your child by encouraging them to read at home every night. Little and often is best. It is important that you ask them lots of questions such as:

- What is happening? Talk about what has happened on each page.
- What does that word mean? Discuss the meaning of unfamiliar words.
- Can you think of a similar word to big? Use a thesaurus to find a synonym e.g. huge.
- What do you think will happen next? Why do you think that? Ask children to make predictions and explain their thoughts.
- How do you think the characters are feeling? What has made them feel that way? Discuss the character's feelings.
- Where is this story set? Have you read another story with the same setting? For example 'We're going on a bear hunt' by Michael Rosen and 'The Gruffalo' by Julia Donaldson are both set in the woods.
- Which type of book is this? Fact or fiction? Is this book a story book or a Non-fiction book? How do you know?
- Non-Fiction – Tell me a fact you've learnt from this page / book. Discuss the importance and relevance of the glossary, index and contents page.

**Ways to encourage reading with your children.**

- Be seen – Make sure you are seen reading. Keep books and magazines handy so that you can be seen enjoying reading.
- Make time – Have a special place or a special time when you read together.
- Get out – Go to your local library and find books you loved to read as a child.
- Make it fun – Enjoy reading together. Give characters funny voices.

- Read everything out loud! – Books, poems, newspapers, magazines, food labels... anything!

Remember, common exception words and past spellings (weekly spellings) are really useful to know. Look in the centre of the reading record and you will find a list of homophones as well as other useful learning aids. Below is a list of the common exception words in Year 2.

Best wishes,

The Year 2 Team
