This term our theme is It's All Greek To Me

English	This week, we will be planning and writing debate speeches which we will use when debating each other. We are arguing that we would or wouldn't want to live in Athens or Sparta.
Maths	In Maths, we are thinking about how we can work out problems regarding timetables. We will be looking at bus and train timetables and work out problems involving time.
Topic	In History, We will be learning about Greek Gods and Goddesses.
	In Science, we will be continuing our topic of Humans and Animals. We will be making Human Life cycles, finishing off our topic. We will also be doing our last assessment of the year which will finish off our topic.
	In PSHE, we will be answering the questions the children asked last week in our Question Box. We will also be 'looking ahead' at what is coming up in their lives such as Year 6 and secondary school.
	In DT, we will be evaluating our Greek Theatre Masks
	In Music, we are continuing to learn the rap from the Fresh Prince of Bel Air. In Computing/Geography, we will be coding using Code.org.
Information	Wednesday is our KS2 Sports Day. Please ensure your child comes into school in their PE kit and comes wearing hats and sun cream and has water bottles with them. Children are forgetting bottles often, having to use paper cups which isn't particularly environmentally friendly.
	Thank you so much for coming to our Greek Day. The children loved sharing all the hard work with you and it was fantastic to see them showing you their work proudly.

Thank you for reading ©

Mrs Bareham and Mr Gillick
