

The Heights Primary School
Year 3 Parent Planner: Summer 2 Week 5

Dear Parents/Carers,
This term our theme is **Superstructures**.

English	This week we will be editing and improving our 'Odes'. We will be extending our description before checking our poems carefully for structure and spelling. At the end of the week, we will be performing our poems to the class focusing on tone and volume.
Mathematics	In maths this week, we will be measuring mass in kg and g and reading scales. We will go on to add and subtract mass using different strategies. We will finish the week looking at turns; understanding angles as turns and right angles as quarter turns.
Topic	In art we will be finishing work for our art exhibition. In science, we will be learning how water is transported in plants. We will be completing our 'Changing Me' topic in PSHE. We will be learning how babies grow, how our bodies change inside and outside and what different families look like.

Please note that, as we have Sports Day on Wednesday morning, our violin lessons will be taking place at **2.50pm on Wednesday afternoon**. Violins need to come into school as usual. Unfortunately, we won't be able to teach recorders this week.

PE for Year 3 will continue to take place on Tuesday and Wednesday afternoons. **It is essential that PE kits continue to come in on a Monday and go home on a Friday**. If your child comes home in their PE kit, please can you ensure it comes back in the next day (it doesn't need to be washed, just bagged up).

As we experience some warmer weather, please ensure your child has a named sunhat and water bottle in school. Sun cream needs to be applied before children come to school in the morning.

If you have any questions, please don't hesitate to pop in and see us

Best wishes,

Ms Ford, Mrs Harrison, Mrs Sanigar and Mrs Wells
