

PE AND SPORTS PREMIUM

Primary PE and Sports Premium is a Government initiative that aims to help increase and improve PE and sporting opportunities for children in schools. It was first provided in the 2012-13 academic year and the current Government has continued this funding this academic year.

At The Heights, we are committed to ensuring the provision of sport in the school is of the highest standards. To this effect, we spend the money in a number of ways.

We have continued to increase the number and range of after school sporting activities on offer to all children across the school.

The funding has also been used to ensure that the children receive a broad and exciting PE curriculum. This is being achieved by ensuring that staff are receiving new skills and weekly training across many areas of the PE curriculum, including Football, Tag-Rugby, Netball, Hockey, Multi-Skills, Cricket, Rounders and Athletics from specialist sports coaches.

We continue to develop more opportunities for the children to take part in a wide range of competitions and activities, including the South Oxfordshire Cross Country series, Tag Rugby, Football, Cricket and Hockey, Basketball, Netball for pupils in Years 2 to 6. These festivals and competitions are organized by Performance Sports and the Sports Partnership.

We continue to develop the range, amount and quality of sports equipment available for children at The Heights to use.
