THE HEIGHTS HIGHLIGHTS

Achieving Success Promoting Individual
Responsibility and Excellence

Friday 23rd March 2018 – Issue 143

Dear Parents and Carers,

Where did this short term go? It has flown by and so have our lovely chicks from the Living Eggs Programme. Two chicks have been rehomed by Miah's family and the remainder have been taken back to the farm where they will live long and happy free range lives. Thank you so much to the PTFA for funding this wonderful programme again. The children (and staff) gain so much from it.

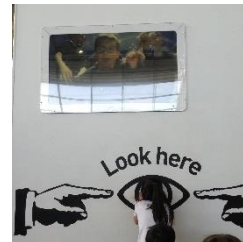

Noye's Fludde

Congratulations to all the members of our Senior Choir who performed Noye's Fludde with hundreds of other local children at Reading University's Great Hall on Monday. It was a fabulous performance led by University students and our Year 3 and 4 children were a credit to themselves and the school. Many thanks for all the children and to Mrs Bentley and Mr Bethel for all their hard work.

Winchester Science Museum

The Year 1s thoroughly enjoyed their trip to Winchester Science Museum and Planetarium yesterday. They were buzzing when they got back to school, talking about all their activities and experiences there. Many thanks to the Year 1 team and all the parents who helped make it such a fabulous day.

Modeshift Stars Bronze Award

Thank you for completing our recent travel survey. We had 90% of all our families who responded and have some really helpful and positive data. Your immense efforts to travel to school in a sustainable way on a daily basis has helped us be in line to achieve a National Modeshift Stars Bronze Award. We're only one of two schools in Reading close to achieving this.

Year 2 SATs

Just a reminder that we are holding a Year 2 SATs information session for parents when we return after Easter on Tuesday 10th April at 6.45pm. This will be led by Mrs Kennedy and Mrs Bentley. Straight after this meeting, Mrs Fallon and I will be holding an information session about our SRE (Relationships and Changes to the Body) programme. This session is for all parents of children from Reception to Year 4. We do hope you will be able to attend.
