THE HEIGHTS HECTOR'S HIGHLIGHTS

Achieving Success Promoting Individual
Responsibility and Excellence

27th March 2020 – Issue 218

Dear Parents and Carers,

Whilst I know that the school has been closed to the majority of our children, we have still been busy this week as a school community... Particularly Hector!

Thank you so much for emailing and tweeting the news of the wonderful things you have been doing at home. It helps myself and the staff feel that we are still in contact with you in these challenging times.

We have loved taking part in the Joe Wicks workout sessions every morning... Andy Ray... have you recovered yet...? We were desperate for a shout-out and are hoping we may get one next week. Keep tuning in and working out!

Huge thanks for all the lovely messages and kind words you have sent in and thoughtful gestures - it felt like Christmas when I discovered two bottles of hand sanitizer outside on the school steps and you saw Hector with a bottle of wine earlier in the week.

Kathy and Freddie - your cake was absolutely delicious this morning (it would have been rude not to have some!).

Hector has been so busy and he's begged me to make this week's episode of Highlights dedicated to him - so, here are Hector's Highlights in photos...

Do continue to take care of yourselves and your families and stay safe and well. We're always on the end of an email to help in any way we can. Have a lovely weekend with your families.
