Achieving Success Promoting Individual Responsibility and Excellence

4th April 2020 - Issue 219

Dear Parents, Carers and Pupils,

As many of you may have suspected, I have slowly, but surely been taking over control of the Heights from Mrs Edwards. I don't think she fully realises, but will when she sees my signature at the bottom of this week's Highlights...

Thank you for being so supportive of me over the past two weeks and the challenges I've faced. Whilst the week didn't get off to the best start (when I couldn't leap-frog the post box),

I've upped my game as the week went on and taught a cracking Maths lesson Wednesday and was a whizz at Cricket yesterday. It was fancy dress Friday for the Joe Wicks workout this morning and I think I looked pretty good as a pirate if I do say so myself!

Thank you for sharing news of all the things you've been doing this week. I'm really glad you had fun completing the bird spotting activity that Mrs Loveday set and congratulations to those of you who sat Cracking Times Tables challenges on your own. Joe in Year 6 has drawn the fabulous picture to the right and look at some of the Key Stage 2 creative writing below.

Now, I know Mrs Edwards probably wants to say this, but I'm going to. Thank you to all the staff who've been working hard both at school and behind the scenes these past 2 weeks, to Chris Ellison who's been in school every afternoon to do PE with the children and to Sian who's been supervising lunchtimes. The staff have really kept us company. Thank you also to those who will be working over the Easter Holidays in the Hub - Holiday Club at St Anne's for children of key workers. What superheroes!

Have a great break over the holidays and I hope you manage to eat lots of chocolate, as I'm going to!

Lots of bearhugs, Hector
