HECTOR'S HIGHLIGHTS

Achieving Success Promoting Individual
Responsibility and Excellence

24th April 2020 – Issue 220

Dear Parents, Carers and Pupils,

I hope you have all managed to enjoy some lovely time together over Easter and remain safe and well. I joined in with the Easter Egg Hunt that Mrs Edwards set up for her children and couldn't believe

how competitive they were. Mind you, they are all adults now. Still, I did manage to find (and eat) a couple. I also sat in a tree and umpired a Volleyball match between Mrs Edwards' family and her neighbours over their 6ft garden fence. They were very apologetic when the ball hit me a couple of times. Hazards of the job.

If you've been following me on Twitter, you will have noticed that I 'helped' supervise at the Hub at St Anne's over Easter. It was lots of fun and I LOVED being on their stage. Mrs Edwards got cross when she found me in Mrs Bernto's office and said I've got 'ideas above my station'. I don't know what she's talking about.

It was great coming back to The Heights this Monday and spending time with the children who've been here. We celebrated Earth Day, St George's Day and William Shakespeare's birthday which was fun. I also led my first Hector's Hexercise class to the Village People's 'YMCA'. If I don't say so myself... I think it rivalled Joe Wickes's morning workout - ahem.

I've been enjoying looking at the photos and notes the Reception parents have posted on Tapestry and the comments from staff and children on the Class Blogs and Google Classroom. Thank you for sharing so much. I was blown away by the picture Mr Kingshott made on a window at the front of his house and the picture of Jack's (Y6) Chameleon!

Lots of bearhugs,
Hector

Alex (1AP) 'Heights Primary Family'
