Part A: Pupil premium strategy plan

Statement of intent

At The Heights Primary, we believe that all pupils, irrespective of their background or the challenges they face, should have the opportunity to thrive, make good progress across all subject areas and fulfil their potential. The focus of our pupil premium strategy is to support disadvantaged pupils to achieve that goal, including progress for those who are already high attainers.

Our objectives are:

- For disadvantaged pupils to make, or exceed the expected standard of progress, in line with their peers. We recognise that for some of our disadvantaged pupils, a SEND barrier may also be present. Where this is the case, we will strive to identify the need early and put appropriate support and strategies in place to minimize the impact of this need on their learning and progress.
- To narrow the attainment gap between disadvantaged and non-disadvantaged pupils.

In order to achieve our objectives we will:

- Deliver high quality first teaching , which meets the needs of all pupils
- Ensure disadvantaged pupils are challenged in the work that they're set
- Regularly review the progress of pupils to ensure that they are making expected progress
- Offer timely and appropriate therapeutic SEMH support
- Offer and facilitate pupils' access to a wide range of curriculum enhancing and enriching experiences and opportunities.
- Continue to work in close partnership with parents to identify, monitor and support their child's needs.

We will continue to work in close partnership with parents, carefully assessing and monitoring our disadvantaged pupils to accurately identify attainments levels. If there are barriers to learning we will work together to address and overcome them.

We recognise that not all pupils in receipt of free school meals will be socially disadvantaged. We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We give careful consideration to the specific needs of all our children and how the Pupil Premium Grant can be best used to support them as needed, to access a wide range of enriching experiences and achieve highly.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Our observations over the past few years is that many of our youngest pupils, particularly those who may be disadvantaged, have underdeveloped/delayed language and communication skills & gaps in their vocabulary. This has been heightened by the impact of the Covid-19 pandemic and further impacted by limited or delayed access to specialist support services prior to starting school.
2	Some of our disadvantaged pupils do not widely read for pleasure and may not have the same access to a wide range of books at home.
3	Formative and summative assessments indicate that Writing attainment among a number of our disadvantaged pupils, particularly those with SEND, is significantly below that of non-disadvantaged pupils
4	Some of our disadvantaged pupils may not have the same opportunities as their peers, to participate in a wide range of curriculum enhancing experiences, such as trips or extra-curricular clubs/lessons. This has an impact on their opportunities to broaden their social experiences and opportunities to develop different interests, skills and strengths.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<p>Improved speech, language and communication skills in the EYFS and KS1 with pupils developing their vocabulary and understanding.</p> <p>Improved oracy skills of pupils throughout the school and greater confidence to use these in a range of situations and for different audiences.</p>	<p>All PPG children to meet the ELG for communication and language at the end of the EYFS.</p> <p>PPG children to pass the phonics screening test.</p> <p>PPG children to confidently participate, present and perform to different audiences throughout the year, including in assemblies, debates, to parents & in the end of Yr 6 musical production.</p>
Narrow the attainment gap between PPG pupils and their peers in phonics and reading across all year groups	All PPG children to meet the ELG for communication and language at the end of the EYFS.

	<p>PPG children to pass the phonics screening test.</p> <p>All PPG pupils to achieve expected level of reading by the end of KS2</p>
