1.0 Bellevue Place Education Trust – Our commitment

Learn. Enjoy. Succeed.

Every BPET child and staff member enjoys a broad (LEARN) and enriched (ENJOY) learning experience, enabling them to achieve far greater individual success (SUCCEED) than they might previously have thought possible.

Our Mission

To grow hubs of like-minded, autonomous schools with a strong support network, all of which combine academic rigour with highly enriched opportunities that deliver a personalised approach to education and exceptional outcomes for all.

Our Difference

We are leading the way in delivering high quality education through skills-based and knowledge rich curricula, applying the best of the independent and state sectors to deliver breadth of opportunity and pupil enrichment. We empower all our schools as individual entities that best meet the needs of the communities they serve and have a strong relationship with families, who are our key partners in delivering the vision.

Our Promise

Every child is an individual. Our role is to nurture pupils' potential through a personalised approach to learning. BPET children are happy, independent, confident all-rounders. Our focus is ensuring an exceptional provision for all our children with supportive, accessible learning that enables every child to make progress, including high quality inclusion for children with Special Educational Needs. We encourage a 'be interested and be interesting' attitude in children and staff alike. We don't just teach; we want our pupils to have a passion to learn.

2.0 Legal Framework

‘Bullying in any form is unacceptable and can have a devastating effect on children, young people and their families. It is important that we all take a stand against bullying so we can help create safe and inclusive places for young people both in schools and online.

It’s crucial that our children and young people know how to treat one another with respect and celebrate one another’s differences.’ (Children and Families Minister Will Quince (November 2021))

We believe this policy should be viewed in **conjunction** with the following policies:

- Safeguarding Part 1 of 4
- Safeguarding Part 2 of 4: Roles and Responsibilities
- Safeguarding Part 3 of 4: Recognising the Signs of Abuse
- Safeguarding Part 4 of 4: Safeguarding Procedures

We are aware that ‘Governing bodies and proprietors should ensure there are appropriate policies and procedures in place in order for appropriate action to be taken in a timely manner to safeguard and promote children’s welfare.’ (Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges (DfE 2020))

We believe 'bullying is behaviour by an individual or group, repeated over time, that intentionally hurts another individual or group either physically or emotionally. Bullying can take many forms (for instance, cyber-bullying via text messages, social media or gaming, which can include the use of images and video) and is often motivated by prejudice against particular groups, for example on grounds of race, religion, gender, sexual orientation, special educational needs or disabilities, or because a child is adopted, in care or has caring responsibilities. It might be motivated by actual differences between children, or perceived differences'. (DfE)

We believe every child has the right to be themselves and thrive at school.

We acknowledge that research shows that bullying and cyberbullying, harassment and victimisation among pupils/students can contribute to mental disorders and increase suicide risk (Brunstein Klomek et al., 2007). It is crucial that we have in place clear anti-bullying policies and engage in anti-bullying programmes in order to create a more inclusive and supportive school culture.

We have a duty of care to protect pupils from bullying as part of our responsibility to provide a safe, secure, caring and friendly school environment for all the children in order to protect them from those who wish to deliberately hurt them either physically or emotionally. We believe that all of our safeguarding procedures are in line with current legislation and advice and that we promote the welfare of all children in our care.

We are aware that bullying is not a criminal offence, but we will report to the police any incident of violence or assault, theft of school equipment or personal belongings, repeated incidents of harassment or victimisation or hate crimes.

We acknowledge that if bullying is left unaddressed it can have a devastating effect on individuals. It can be a barrier to their learning and have serious consequences for their mental health', not only in childhood but also into adulthood.

We are aware that bullying can cause anxiety, depression, hyperactivity and behavioural problems but the results from recent research show that anxiety and depression caused by childhood bullying decreases over a period of time. Bullying does cause suffering but the impact on mental health decreases over time, so that children are able to recover in the medium term. Research results also show the potential for resilience in children exposed to bullying.

We work hard to prevent bullying from happening and to support children who have been bullied by having in place resilience processes in order to help their recovery. We will provide counselling, engage with parents (if necessary) , refer to the local authority's children's services or complete a common assessment framework (CAF) or refer to the Child and Adolescent Mental Health Services (CAMHS). All support will be reviewed and improved if necessary. It is very important to work with parents and to keep them well informed at all stages.

We believe it is our moral and legal duty to protect lesbian, gay, bisexual, and transgender pupils and school staff from all forms of bullying and to educate all pupils about the important role that lesbian, gay, bisexual, and transgender people play in society. All forms of homophobic and transphobic bullying must be challenged, dealt with and recorded.

We believe by creating a safe, secure and caring school environment we will encourage all pupils to report any incident of bullying to a member of the school personnel.

We are aware that under Sections 90 and 91 of the Education and Inspections Act 2006 that we have the power to discipline pupils for misbehaving off the school premises such as on school or public transport, outside local shops or in a town or village centre. All reported incidents of bullying outside school will be investigated and acted on.

Under no circumstances will we tolerate any form of bullying and all incidents of bullying will be dealt with promptly and effectively as we wish to promote the wellbeing of all pupils.

We wish to endorse the School Standards and Framework Act 1998 by having in place an effective Anti-Bullying Policy that demonstrates good practice in order to prevent bullying among pupils.

We believe we can achieve this by ensuring strategies are regularly reviewed; by creating a safe, secure and caring school environment; by involving pupils, parents and local governance; by teaching anti-bullying through the curriculum; by organising anti-bullying events; by effectively training school staff; by working with the local community; by dealing with all reported cases of bullying; by having in place an effective reporting system; by celebrating effective preventative strategies; and by ensuring all school staff are aware of this policy and use it as a working document referred to when dealing with incidents of bullying.

We wish to work closely with the School Council/Pupil Parliament and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

3.0 Aims and Objectives

- To have in place a safeguarding and child protection policy and related policies that outline clear procedures to ensure that we meet our responsibilities for safeguarding and promoting the welfare of all children.

- Not making counter-threats if they are victims of bullying.
- Walking away from dangerous situations and avoiding involving other pupils in incidents.
- Keeping evidence of cyberbullying and informing a member of staff should they fall victim to cyberbullying.

5.0 Prevention

The school will clearly communicate a whole-school commitment to addressing bullying and have a clear set of values and standards which will be regularly promoted across the whole school.

All members of the school will be made aware of this policy and their responsibilities in relation to it. All staff members will receive training on identifying and dealing with the different types of bullying.

All types of bullying will be discussed as part of the relationships and health education curriculum, in line with the Relationships and Sex Education Policy.

This curriculum will explore and discuss issues at age-appropriate stages such as:

- Healthy and respectful relationships.
- Boundaries and consent.
- Stereotyping, prejudice and equality.
- Body confidence and self-esteem.
- How to recognise abusive relationships and coercive control.
- Harmful sexual behaviour, the concepts involved and why they are always unacceptable, and the laws relating to it.

Staff will encourage pupil cooperation and the development of interpersonal skills using group and pair work. Diversity, difference and respect for others will be promoted and celebrated through various lessons. Opportunities to extend friendship groups and interactive skills will be provided through participation in special events, e.g. drama productions, sporting activities and cultural groups.

Seating plans will be organised and altered in a way that prevents instances of bullying. Potential victims of bullying will be placed in working groups with other pupils who do not abuse or take advantage of others.

A safe place, supervised by a teacher, will be available for pupils to go to during free time if they feel threatened or wish to be alone. The teacher supervising the area will speak to pupils to find out the cause of any problems and, ultimately, stop any form of bullying taking place.

Pupils deemed vulnerable, as defined in section two, will meet with their class teacher on a monthly basis, where appropriate, to ensure any problems can be actioned quickly. Phase leaders also offer an 'open door' policy allowing pupils to discuss any bullying, whether they are victims or have witnessed an incident.

Before a new pupil joins the school, particularly when this happens in-year, the pupil's class teacher and the DSL will implement a strategy to prevent bullying from happening – this will include offering an opportunity for the child and family to visit the school prior to admission, finding out about any existing positive or negative relationships in the school and liaising with the child's prior setting. Where a new pupil is deemed vulnerable, this strategy may involve further observation or intervention on the part of the DSL.

The school will be alert to, and address, any mental health and wellbeing issues amongst pupils, as these can be a cause, or a result, of bullying behaviour.

The school will ensure potential perpetrators are given support as required, so their educational, emotional and social development is not negatively influenced by outside factors, e.g. mental health issues.

7. Signs of bullying

Staff will be alert to the following signs that may indicate a pupil is a victim of bullying:

- Being frightened to travel to or from school
- Unwillingness to attend school
- Repeated or persistent absence from school
- Becoming anxious or lacking confidence
- Saying that they feel ill repeatedly
- Decreased involvement in school work
- Leaving school with torn clothes or damaged possessions
- Missing possessions
- Missing dinner money
- Asking for extra money or stealing
- Cuts or bruises
- Lack of appetite
- Unwillingness to use the internet or mobile devices
- Lack of eye contact
- Becoming short tempered
- Change in behaviour and attitude at home

Although the signs outlined above may not be due to bullying, they may be due to deeper social, emotional or mental health issues, so are still worth investigating. Pupils who display a significant number of these signs will be approached by a member of staff to determine the underlying issues causing this behaviour.

Staff will be aware of the potential factors that may indicate a pupil is likely to exhibit bullying behaviours, including, but not limited to, the following:

- They have experienced mental health problems, which have led to them becoming more easily aggravated
- They have been the victim of abuse
- Their academic performance has started to fall and they are showing signs of stress

If staff become aware of any factors that could lead to bullying behaviours, they will notify the pupil's class teacher, who will investigate the matter and monitor the situation.

6.0 Staff principles

The school will ensure that prevention is a prominent aspect of its anti-bullying vision.

Staff will treat reports of bullying seriously and will not ignore signs of suspected bullying. Staff will act immediately when they become aware of a bullying incident. Unpleasantness from one pupil towards another will always be challenged and will never be ignored.

Staff will always respect pupils' privacy, and information about specific instances of bullying is not discussed with others, unless the pupil has given consent, or there is a safeguarding concern. If a member of staff believes a pupil is in danger, e.g. of being hurt, they will inform the DSL immediately.

Follow-up support will be given to both the victim and perpetrator in the months following an incident to ensure all bullying has stopped.

7.0 Child-on-child abuse

The school has a zero-tolerance approach to all forms of child-on-child abuse, including sexual harassment and sexual violence.

To prevent child-on-child abuse and address the wider societal factors that can influence behaviour, the school will educate pupils about abuse, its forms, and the importance of discussing any concerns and respecting others through the curriculum, assemblies and PSHE lessons, in line with the Prevention section of this policy.

All staff will:

- Be aware that pupils of any age and gender are capable of abusing their peers.
- Be aware that abuse can occur inside and outside of school settings.
- Be aware of the scale of harassment or abuse, and that just because it is not being reported does not mean it is not happening.
- Take all instances of child-on-child abuse equally seriously regardless of the characteristics of the perpetrators or victims.
- Never tolerate abuse as "banter" or "part of growing up", and will never justify sexual harassment, e.g. as "boys being boys", as this can foster a culture of unacceptable behaviours and one that risks normalising abuse.
- Be aware that child-on-child abuse can be manifested in many ways, including sexting, sexual harassment and assault, and hazing or initiation-type violence.
- Always challenge any harmful physical behaviour that is sexual in nature, such as inappropriate touching. Dismissing or tolerating such behaviours risks normalising them.

Sexual harassment in particular can take many forms, including but not limited to:

- Telling sexual stories, making sexual remarks, or calling someone sexualised names.
- Sexual “jokes” or taunting.
- Deliberately brushing against someone.
- Displaying images or videos of a sexual nature.
- Upskirting (this is a criminal offence).
- Online sexual harassment, e.g. creating or sharing sexual imagery, sexual comments on social media, or sexual coercion or threats.

Pupils will be made aware of how to raise concerns or make a report and how any reports will be handled – this includes the process for reporting concerns about friends or peers. If a pupil has been harmed, is in immediate danger or is at risk of harm, a referral may be made to children’s social care services (CSCS) and potentially the police, where the DSL deems this appropriate in the circumstances.

All staff will be aware and sensitive towards the fact that pupils may not be ready or know how to tell someone that they are being abused. Pupils being abused may feel embarrassed, humiliated, scared, or threatened.

The BPET Child Protection and Safeguarding Policy outlines the school’s stance on addressing child-on-child abuse, including sexual abuse, and the procedures in place will be adhered to if any instances are uncovered or disclosed. More information on the school’s approach to preventing and managing instances of child-on-child abuse can be found within this policy.

8.0 Cyberbullying

Cyberbullying can take many forms and can go even further than face-to-face bullying by invading personal space and home life, and can target more than one person. It can also take place across age groups and target pupils, staff and others, and may take place inside school, within the wider community, at home or when travelling. It can sometimes draw bystanders into being accessories.

Cyberbullying can include the following:

- Threatening, intimidating or upsetting text messages
- Threatening or embarrassing pictures and video clips
- Disclosure of private sexual photographs or videos with the intent to cause distress
- Silent or abusive phone calls
- Using the victim’s phone to harass others, to make them think the victim is responsible
- Threatening or bullying emails, possibly sent using a pseudonym or someone else’s name
- Menacing or upsetting responses to someone in a chatroom
- Unpleasant messages sent via instant messaging
- Unpleasant or defamatory information posted to blogs, personal websites and social networking sites, e.g. Facebook

NB. The above list is not exhaustive, and cyberbullying may take other forms.

The school has a zero-tolerance approach to cyberbullying. The school views cyberbullying with the same severity as any other form of bullying and will follow the sanctions set out in section 12 this policy if they become aware of any incidents.

All members of staff will receive training on an annual basis on the signs of cyberbullying, in order to identify pupils who may be experiencing issues and intervene effectively.

Many of the signs of cyberbullying will be similar to those found in the 'Signs of bullying' section of this policy; however, staff will be alert to the following signs that may indicate a pupil is being cyberbullied:

- Avoiding use of the computer
- Being on their phone routinely
- Becoming agitated when receiving calls or text messages

Staff will also be alert to the following signs which may indicate that a pupil is cyberbullying others:

- Avoiding using the computer or turning off the screen when someone is near
- Acting in a secretive manner when using the computer or mobile phone
- Spending excessive amounts of time on the computer or mobile phone
- Becoming upset or angry when the computer or mobile phone is taken away

Parents will also be invited to attend annual training sessions in order to educate them on the signs and symptoms of cyberbullying, and will be advised to report to the headteacher if their child displays any of the signs outlined in this section.

Staff will be aware that a cyberbullying incident might include features different to other forms of bullying, prompting a particular response. Significant differences may include the following:

- Possible extensive scale and scope – pupils may be bullied on multiple platforms and using multiple different methods that are made possible by virtue of the bullying taking place online
- The anytime and anywhere nature of cyberbullying – pupils may not have an escape from the torment when they are at home due to the bullying continuing through technology at all times
- The person being bullied might not know who the perpetrator is – it is easy for individuals to remain anonymous online and on social media, and pupils may be bullied by someone who is concealing their own identity
- The perpetrator might not realise that their actions are bullying – sometimes, the culture of social media, and the inability to see the impact that words are having on someone, may lead to pupils crossing boundaries without realising
- The victim of the bullying may have evidence of what has happened – pupils may have taken screenshots of bullying, or there may be a digital footprint that can identify the perpetrator

The school will support pupils who have been victims of cyberbullying by holding formal and informal discussions with the pupil about their feelings and whether the bullying has stopped, in accordance with section 13 and section 14 of this policy.

In accordance with the Education Act 2011, the school has the right to examine and delete files from pupils' personal devices, e.g. mobiles phones, where there is good reason to do so. This power applies to all schools and there is no need to have parental consent to search through a young person's mobile phone. In these cases, the school's Searching, Screening and Confiscation Policy will be followed at all times.

9.0 Procedures

Minor incidents will be reported to the victim's form tutor, who will investigate the incident, set appropriate sanctions for the perpetrator, and inform the head of year in writing of the incident and outcome.

When investigating a bullying incident, the following procedures will be adopted:

- The victim, alleged perpetrator and witnesses are all interviewed separately
- Members of staff ensure that there is no possibility of contact between the pupils being interviewed, including electronic communication
- If a pupil is injured, members of staff take the pupil immediately to the school nurse for a medical opinion on the extent of their injuries
- A room is used that allows for privacy during interviews
- A witness is used for serious incidents
- If appropriate, the alleged perpetrator, the victim and witnesses are asked to write down details of the incident; this may need prompting with questions from the member of staff to obtain the full picture
- The headteacher will gather evidence of a cyberbullying incident; this may involve text messages, emails, photos, etc. provided by the victim
- Premature assumptions are not made, as it is important not to be judgemental at this stage
- Members of staff listen carefully to all accounts, being non-confrontational and not assigning blame until the investigation is complete
- All pupils involved are informed that they must not discuss the interview with other pupils

Due to the potential for some specific forms of bullying to be characterised by inappropriate sexual behaviour, staff members involved in dealing with the incident are required to consider whether there is a need for safeguarding processes to be implemented.

10.0 Sanctions

If the headteacher is satisfied that bullying did take place, the perpetrator will be helped to understand the consequences of their actions and warned that there must be no further incidents. The headteacher will inform the perpetrator of the type of sanction to be used in this instance, e.g. detentions or service-based activities, and future sanctions if the bullying continues.

If possible, the headteacher will attempt reconciliation and will obtain an apology from the perpetrator. This will either be in writing to the victim, and/or witnesses if appropriate, or face-to-face, but only with the victim's full consent. Discretion will be used here; victims will never feel pressured into a face-to-face meeting with the perpetrator.

Parents are informed of bullying incidents and what action is being taken.

All staff involved in managing instances of bullying will be aware that taking disciplinary action and providing support are not mutually exclusive actions, and should be conducted simultaneously to encourage more positive behaviour in future.

The school will avoid unnecessarily criminalising pupils for bullying or abusive behaviour where possible, as young people with criminal records face stigma and discrimination in future aspects of their lives. The school's focus when handling perpetrators will be supporting them to develop more positive behaviours and to refrain from abusive and bullying behaviours in the future.

The phase leaders informally monitors the pupils involved over the next half-term.

The school will remain cognisant of the fact that continued access to school can be important for rehabilitation of harmful behaviour, and will not exclude pupils unless as a last resort – where there have been serious or consistent incidents of bullying, the school will act in line with the BPET Exclusion Policy.

13. Support

In the event of bullying, victims will be offered the following support:

- Emotional support and reassurance from the school counsellor
- Reassurance that it was right to report the incident and that appropriate action will be taken
- Liaison with their parents to ensure a continuous dialogue of support
- Advice not to retaliate or reply, but to keep the evidence and show or give it to their parent or a member of staff
- Advice on aspects of online safety, in the event of cyberbullying, to prevent re-occurrence, including, where appropriate, discussion with their parents to evaluate their online habits and age-appropriate advice on how the perpetrator might be blocked online
- Discussion with their parent on whether police action is required (except in serious cases of child exploitation or abuse where the police may be contacted without discussion with parents)

The headteacher will carefully consider in each instance of bullying that is handled whether it is appropriate to split up the victim(s) and perpetrator(s), e.g. preventing them sharing classes or spaces where possible, and will split up other harmful group dynamics to prevent further occurrences where necessary. Victims will be encouraged to broaden their friendship groups by joining lunchtime or after-school clubs or activities.

Staff, particularly the DSL, will work with the victim to build resilience, e.g. by offering emotional therapy.

The school will acknowledge that bullying may be an indication of underlying mental health issues. Perpetrators will be required to attend a mandatory counselling session to assist with any underlying mental health or emotional wellbeing issues. The school will work with the perpetrator regarding any underlying mental health or emotional wellbeing problems.

11.0 Follow-up support

The progress of both the perpetrator and the victim will be monitored by their form tutors. One-on-one sessions to discuss how the victim and perpetrator are progressing may be appropriate. If appropriate, follow-up correspondence will be arranged with parents one month after the incident.

Pupils who have been bullied will be offered continuous support. The DSL will hold a formal meeting, on a monthly basis, to check whether the bullying has stopped – these formal meetings will continue to take place once a month until the phase leader and victim are confident the bullying has stopped. The victim will be encouraged to tell a trusted adult in school if bullying is repeated.

Pupils who have bullied others will be supported in the following ways:

- Receiving a consequence for their actions
- Being able to discuss what happened
- Being helped to reflect on why they became involved
- Being helped to understand what they did wrong and why they need to change their behaviour
- Appropriate assistance from parents

Pupils who have been bullied will be assessed on a case-by-case basis and the DSL will, if necessary, refer the victim of bullying to CAMHS.

In cases where the effects of bullying are so severe that the pupil cannot successfully reintegrate back into the school, the headteacher and DSL will look to transfer the pupil to another mainstream school with the consent and involvement of the pupil's parents.

Where a pupil who has been the victim of bullying has developed such complex needs that alternative provision is required, the pupil, their parents, the headteacher and DSL will meet to discuss the use of alternative provision.

12.0 Bullying outside of school

Staff will remain aware that bullying can happen both in and outside of school, and will ensure that they understand how to respond to reports of bullying that occurred outside school in line with the Child Protection and Safeguarding Policy.

The headteacher has a specific statutory power to discipline pupils for poor behaviour outside of the school premises. Section 89(5) of the Education and Inspections Act 2006 gives the headteacher the power to regulate pupils' conduct when they are not on school premises, and therefore, not under the lawful charge of a school staff member.

Teachers have the power to discipline pupils for misbehaving outside of the school premises. This can relate to any bullying incidents occurring anywhere off the school premises, e.g. on school or public transport, outside the local shops, or in a town or village centre.

Where bullying outside school is reported to school staff, it will be investigated and acted upon. In all cases of misbehaviour or bullying, members of staff can only discipline the pupil on school premises, or elsewhere when the pupil is under the lawful control of the member of staff, e.g. on a school trip.

The headteacher is responsible for determining whether it is appropriate to notify the police of the action taken against a pupil. If the misbehaviour could be of a criminal nature or poses a serious threat to a member of the public, the police will be informed.

13.0 Record keeping

The DSL will ensure that robust records are kept with regard to all reported or otherwise uncovered incidents of bullying – this includes recording where decisions have been made, e.g. sanctions, support, escalation of a situation and resolutions.

The headteacher and DSL will ensure that all decisions and actions recorded are reviewed on a regular basis for the purposes of:

- Identifying patterns of concerning, problematic or inappropriate behaviour on the part of certain pupils that may need to be handled, e.g. with pastoral support.
- Reflecting on whether cases could have been handled better and using these reflections to inform future practice.
- Considering whether there are wider cultural issues at play within the school, e.g. whether school culture facilitates discriminatory bullying by not adequately addressing instances, and planning to mitigate this.
- Considering whether prevention strategies could be strengthened based on any patterns in the cases that arise.
- Responding to any complaints about how cases have been handled.

14.0 Monitoring and review

This policy is reviewed every two years by the headteacher and the DSL. Any changes to this policy will be communicated to all relevant stakeholders.
